

**New customer form with general declaration for the final destination**

We (name and address)

Customer number:

guarantee that we will act as follows for all products

of the company **SERVA Electrophoresis GmbH** (hereinafter "SERVA"):

- not to use its products (hereinafter referred to as the "Products") with the intention of producing or providing substances that can be used in addictive and/or psychotropic compounds;
- not to use them in the fields of human or veterinary pharmaceuticals, agriculture, foodstuffs or cosmetics, except where used as raw materials, process materials or auxiliary materials and/or as research and analysis reagents;
- not to use them for military or illegal purposes;
- not to use them as explosives, fuels, incendiaries or pyrotechnics, or in the manufacture of such items;
- only to use them in accordance with the regulations, insofar as the Products are listed in the German Chemicals Prohibition Decree, the German Hazardous Materials decree or the German Chemicals Act (including any appendices relevant to these decrees and acts);
- insofar as we are supplying countries outside the EU or OECD, the applicable foreign trade conditions shall be observed;
- only to dispose of Products or pass them on or allow them to be used on the condition that we are provided with a declaration for the final destination regarding the civil and legally permissible application from the end customer we are supplying and whom we know to be reliable;

Should our clients intend to pass the Products on further either in their entirety or in part, we shall always oblige them to impose a declaration of final use on their customers, the contents of which shall be fully in line with this warranty statement. We shall always store the declarations obtained from our clients regarding the Products carefully and shall present them to SERVA on request. Should we not be selling a product on, we shall demonstrate the use to which the Product is being put to SERVA the first time we are asked to do so.

We guarantee our professional skills in handling chemicals, in particular in accordance with section 5 paragraph 2 of the German Chemicals Prohibition Decree and hereby exclude misuse of any kind.
